POLICE, FIRE CLUB SET
FOR BIG DANCE TONIGHT

The job safety by Albany's municipal employees paid dividends in addition to well-being and more working hours saved when the City Council on Monday night accepted a check from the State Compensation Fund for \$2827.93. This represents a 55.5 per cent saving in the cost of workmen's compensation. A letter from J. J. Gallagher, manager of the agency praised Albany for "its excellent record established for the year."

Judging from advance notices released by James Sartain, general manager and Walker Lyon, production manager, the 16th Annual Jinks and Smoker to be staged on March 19 by Albany Post 292, American Legion, will be "something out of this world."

Registration is scheduled for the morning between 9 a. m. and 12 noon; judging between 12 noon and 1 p. m.; and public exhibition from 1 to 3 p. m.

Supervisor Emmett Devine and Director Walter Gordon, Jr., are directing the show. Devine stated that awards will be given for largest doll smallest doll, oldest doll, best costume doll (foreign), best rag doll, funniest doll, largest story book doll collection, largest doll collection (other than story book dolls), cutest baby doll, best complete doll and buggy outfit, prettiest doll, prettiest bride doll, largest animal doll, and best home-made doll and home-made clothing.

The next meeting of the School Education Committee of the Berkeley-Albany Council of Parent Teacher Associations will be held Thursday, March 18, from 9:15 to 11:30 a. m. at the Cornell school, Cornell and Solano Avenues, to learn and understand the purposes and functions of an elementary school library.

This is the fourth meeting in a series conducted by the School Education Committee of the Berkeley-Albany Council of Parent Teacher Associations to give parents an opportunity to observe the public schools in action and to discuss pertinent problems and questions that affect all school children.

Reddy D. Ubap, President of the Hindustan Group of the International House at the University will speak to the Sophomore Hi-Y girls about his country, India.

The Girl Scouts of Marin School are planning a whist and bridge party for Friday evening, April 9, as the second of a series of events by which they hope to raise their quota of \$1000 for the new Girl Scout summer camp. Prizes will be large boxes of groceries donated by the Scout troops. In addition there will be a valuable door prize which will be announced later. Tickets are fifty cents and may be obtained from the Girl Scouts and Brownies of Marin School or at the door that evening. Mrs. Verdon Garner is in charge of arrangements.

The Albany Recreation Department Spring Softball League will open Sunday, April 4, with seven teams competing for the championship and the honor of playing in the play-offs for the Mayor's Cup.

Teams representing the Albany Macabees, Marin Dads, Cornell Dads, Berkeley Y.M.I., Cerrito Civic Club, Albany Gilvets, and Albany Junior Chamber of Commerce are scheduled to be on hand for the opening of the spring season.

Appointments to the nominating committee were made at the last executive board and regular meetings of the Cornell Parent-Teacher Association. In accordance with the provisions of the by-laws, two persons, Mrs. Wallace Mardilla and Mrs. Harry Eckstein were chosen by the executive board, with Mrs. Franklin Henry as alternate, and Mrs. Leslie Burman and Mrs. Fred Werner, with Mrs. Richard Moulthrop as alternate, were appointed at the regular meeting. Milton Gordon, principal of Cornell School, will serve as the fifth member of the committee.

This group will meet in the near future, and will present their choice of nominees at the next regular meeting of the unit in April.

The Soroptimist Club of Albany met at the Y.M.C.A. March 10 with Howard's Restaurant serving as caterer. By a consensus of opinion it was one of the best luncheons served to this club. President Bea Williams was in the driver's seat.

The first thing on the program was the introduction of guests. Mary Loos of the Albany Hospital introduced Nora Healey, head nurse; Myrtle West of West Roofing introduced her sister, Dorothy Barry. President Bea then asked Mary Loos to take over. She had as her speaker Harold C. Olsen, certified public accountant with the firm of Timson and Olsen, certified public accountants of Oakland. Mr. Olsen spoke on income tax returns, a very apt subject at this particular time. Of the 23 members present two seemed exceedingly uncomfortable due to the fact they had not yet made returns which are due the 15th of March. The rest of the bunch were more or less complacent, having sent in their returns, until it came to asking questions.

Mr. Olsen seemed to know all the answers and I have me doots as to whether some of the girls will sleep too well, as his answers to some of the questions on whether some items were right in their returns was definitely "No."

We were very unhappy to learn that our Minnie Lou Eakin, builder, and Betty Allison are both ill. Minnie Lou is at the Albany Hospital and Betty is at home at Kains and Solano. Our Speaker Harold Olsen is not to be confused with our vice-president Mae Olson's family. But anyone meeting this charming person might want to claim relationship.

Refreshments will be served. The public is cordially invited to attend and meet Mrs. Dubroff. There will be no admission charge.

Dr. Fishback Chosen As Fourth Speaker in Night School Series

"Parents and Children—Teamwork or Battle?" is the subject selected by Dr. Dora Fishback, psychiatrist, in the fourth of four discussions scheduled by the Albany Evening High School on the general subject of the current Forum Series, "Family Life, Education." This Forum, to be held at the Cornell School Auditorium on Thursday evening, March 18, at 8, will be devoted to a consideration of the psychological relationship of parent and child from the pre-school through the adolescent period. An open discussion, in which questions from the audience will be answered and discussed by Dr. Fishback, will follow the lecture.

Dr. Fishback's background and experience are such as to assure her bringing a valuable contribution to the Albany Forum Series. She is both a psychiatrist and psychoanalyst, and had wide experience in Chicago and vicinity as a psychiatric consultant for several child and family service agencies. For some years she was on the staff of the Institute for Juvenile Research of the State of Illinois. Since coming to California, she has done considerable work with the Juvenile Research Department of San Francisco.

The music for the evening will consist of a 20-minute Easter program by the A Cappella Choir of the Albany High School, under Stephen Lehmer, director.

Albany Masons

Albany Masonic Lodge 686 will confer three first degrees in the Macabees Hall, Kains and Marin Avenue on Tuesday, March 16th. Richard Ross, worshipful master, with the assistance of Frank Spire will open the meeting promptly at 7:30 p. m.

All Masons are invited and refreshments will be served in the banquet room at the conclusion of the ceremonies.

Marin Dads' Movies

The fourth in the popular Marin Dads Club past film favorites will be shown at Marin School Auditorium on Friday night, March 12. According to Bill Keating, publicity chairman for the Dads, the doors will open at 7:15 p. m. and the show will start at 7:45. Admission is 10 cents for children and 35 cents for adults. Children should be accompanied by an adult.

MORGAN'S MEANDERINGS
By M. S. T.

The flag atop the City Hall flew at half mast for a brief time Tuesday in mourning for the ancient frayed rope which had long hoisted it to wave on high. While flag-raiser Jack O'Leary (contrary to some rumors "Jonnie" Johnson of the Engineering Dept. does not raise the flag each morn) was performing his a. m. duty the rope broke, caught in the pulley and things became fouled up beyond all recognition. New rope was secured post-haste and the flag was hoisted to the top o' the mast before any local hawk-eyes could report the matter to the improper authorities.

Bert "Cookie" Caswell, head of the broom-and-bucket brigade at Albany High School is "doing nicely" after a recent back injury. Cookie is a very popular guy with the young folks at the high school and they are looking forward to his speedy return to the job.

When an Oakland Tribune cameraman wanted a beautiful gal to add some cheesecake to a picture huckstering the police and fire dance on March 12 he was directed to the City Hall and Bette Green, bat match.

Gaeta's Coffee Shop opened this week under the new management of George Littlefair and Bill Hammer-smith. They plan to reopen the banquet room in back, catering to clubs and parties. Reigning over the cookery will be Bob Mason, well-known in these parts for his tasty dishes.

Visitors came from as far as San Jose for a housewarming party given by the Wallis Collins family Sunday night to initiate their new residence at 924 Cornell. Collins is a member of the Albany Fire Department so there were plenty of firemen on hand if the house got too warm.

Odds and ends . . . Sigrid Oakley, howdy gal at the police switchboard, is now teaching a Red Cross Sea Scout class at Kensington . . . C. J. DeLannoy has taken over management of the Goodyear Service Store at 927 San Pablo . . . "Exotic" seems to be the favorite word used to describe the Legion Smoker slated for the Memorial Building, March 19. Walter Holland tells Morgan that the word was an oft-told tune in describing the lovelies due to cavort for the legionnaires. . . Mrs. Truman L. Gould is reported doing well in Albany Hospital. She was put abed there last Sunday with an illness that has plagued her for some time now.

Attendance Contest Losers Must Feed Rotary Club Winners

The Albany Rotary Club will meet Monday evening at Spenger's Grotto at 6:30 p. m. for a feed provided by the losers of the recently completed attendance contest in the club.

The Butter and Egg Boys captained by Joe Villa, who finished fourth, will stand treat at the dinner and Harold Denham's Short Socks team will clean up. Winners were the Safe Crackers, led by Bob Pellegri and Curt Campbell's Crank-case Crew. Entertainment will be provided by Lloyd Peterson and Elmer Coble.

Teams Selected for Spring Softball Games

The Albany Recreation Department Spring Softball League will open Sunday, April 4, with seven teams competing for the championship and the honor of playing in the play-offs for the Mayor's Cup.

Teams representing the Albany Macabees, Marin Dads, Cornell Dads, Berkeley Y.M.I., Cerrito Civic Club, Albany Gilvets, and Albany Junior Chamber of Commerce are scheduled to be on hand for the opening of the spring season.

Committees Named for 'Spanish Fiesta' by High School Parents

Plans are progressing for a "Spanish Fiesta" benefit party to be given jointly by the Albany High School P.T.A. and Dads Club in the high school auditorium and cafeteria on Saturday night, April 3.

Lloyd E. Gowen, general chairman, this week announced committee members who will work with him in planning the gala affair. They include Charles Moore and Ormond T. Stone, tickets; Lloyd Hogan and Eugene S. Darlington, entertainment; Mrs. Emery Young and Mrs. Sigmund Odgaard, refreshments; Mrs. Hugh Galbraith, and George Ziegenfuss, prizes; and Mason F. Layton and Mrs. Sigrid Oakley, publicity.

The purpose of the benefit is to purchase a projector for the high school.

**Legion Organizing
 Boy's Teams to Play
 In Baseball League**
 More than 75 youngsters, between the ages of 12 and 17 are turning out each Saturday morning at Memorial Park in Albany to play baseball under the auspices of Albany Post 292 of the American Legion.
 Manager Fred Lauters in charge of the program, says the Legion expects to have a full-fledged league organized in a short time, comprising 10 or more teams. The Legion will sponsor one or two teams, others will be sponsored by merchants of the area.
 The Albany baseball program has been in operation for years and has involved hundreds of teen-age boys in the area. Youngsters between the ages of 12 and 17 who want to play baseball during the coming months are urged to write the sponsors giving age, position played and other particulars. Address letters to Fred Lauters, 716 Pomona Ave., El Cerrito, or to Russ Bradley, 1003 Curtis St., Albany 6.

Newell Harlow, representative of the C & H Sugar Co., addressed the Exchange Club at their Tuesday night meeting on March 9. Harlow brought with him films showing the sugar industry at work in Hawaii and in the States.

First Graduates Pass Driving Tests in High School Course

Nineteen students of the first adult drivers' class ever graduated in the San Francisco Bay Area took and successfully passed their drivers' tests on Wednesday, Feb. 25. All 19 completed the course given at the Albany Evening High School as part of the program made possible by the use of a dual-control car loaned, through arrangements of the American Automobile Association, by the East Bay Chevrolet Co. to the school. The course taught by St. John Smith, consisted of 18 hours of intensive classroom instruction and 18 hours of behind-the-wheel instruction.

In groups of six at a time the graduates were given the State's written tests followed by a demonstration of driving skill at the Berkeley Office of the Motor Vehicle Department. Members of this first graduating class who received their automobile driving licenses are:

Elfrieda Allen, Viola Caskey, Frances Clarke, Jacqueline Dussell, Katherine Finney, Laura Gloor, Edith Hafstad, Mary Hawthorne, Irene Josefowsky, Viola Lambert, Irene MacWilliams, Ethel Murphy, Grayce Ruedrich, Olga Ruh, Anita Ruppert, Jean Schneider, Hope Taylor, Lillian Ward, and Jeanne Wensrich.

8 WAYS to Save Electricity in Your Home

Seemingly small savings of electricity in your home today are more important than you may realize. Because every time you let a light burn needlessly or flip a switch and allow an appliance to run idly, it puts additional "load" on electric lines. Your extra use, multiplied by thousands of other homes, adds up tremendously. And at the other end of these lines, a generator must meet that load, using hundreds of gallons of precious water per minute. And because of the prolonged drought and extremely light snow pack in the mountains, the conservation of water is even more vital to the general welfare.

Watch Wasteful Use of Lighting and Save Electricity

1. FLICK OFF... lights when you leave a room.
2. TURN OFF... all lights you don't really need.
3. CHECK FOR... lights burning in unused rooms.
4. IT'S EASY... to forget porch and garage lights.

And Watch Wasteful Use of Appliances Too...

5. BURNED TOAST Toast that goes up in smoke wastes bread...electricity.
6. RAMBLING RADIOS Radios left to ramble on without listeners shorten tube life and waste electricity.
7. SIZZLING IRONS Irons that get "too hot" scorch clothes and waste electricity.
8. WEARY WASHERS Washing machines that run idly wear out sooner and waste electricity.

A SPECIAL MESSAGE TO BUSINESS MEN:

You can help save the day. The Public Utilities Commission's electric conservation regulations provide for a ten per cent reduction in use by stores, shops, restaurants and all business establishments. Rules prohibit illumination of advertising signs, flood lighting, show window lighting, etc., but we ask you not to stop there. Pull the switch on every circuit not vitally necessary. Cut down load in every part of your plant in the public interest.

REMEMBER—ELECTRICITY SAVED IS WATER CONSERVED!

1/4 teaspoon pepper
Flour for dredging
Lard for browning
2 onions, chopped
2 cups boiling water
2 bay leaves

2 cups tomato puree (or canned tomatoes)
1 onion, minced
4 stalks celery (cut in 1-in. pieces)
1 green pepper, diced
3 carrots, sliced

SPROUL WELCOMES FREEDOM TRAIN — Robert G. Sproul, president of the University of California and Miss Martha Kilgore, Berkeley campus librarian, discuss plans for patriotic library exhibits on several of the University's eight campuses during Rededication Week, which immediately precedes the Freedom Train's visit. Part of the exhibits will be a copy of the first printing of the Declaration of Independence (which Sproul is holding), probably printed July 5 or 6, 1776. In welcoming the train to California, Sproul, who is vice-

chairman of the American Heritage Foundation, sponsor of the train, said: "Our American heritage of freedom, like the earth we walk upon, is constantly in danger of wasting away under the eroding rains and winds of neglect and indifference. Yet it is the source of our vitality. Like the farmer who has learned to combat erosion by new cultivation methods, so must we resolve to guard our precious liberty by paying new attention to our civic duties."

The Freedom Train is due in Oakland on March 19.

How we write the "BEST-READ BOOK IN TOWN"

2. High-speed binders and trimmers like this are kept busy turning out finished directories. We issue 99 different telephone books on the Coast—a total printing of more than 6,000,000 copies a year. And in addition to the daily lists, completely new directories are printed frequently for information operators.

Millions of new working dollars...needed to extend and improve service...must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This depends on the sale of our services at fair and adequate prices.

1. Check...check and check again—that's how we guard the accuracy of your telephone book. It's a job for specialists, like those above, skilled in working with masses of names and numbers. Others give new numbers to information operators the morning following installation of a telephone.

3. It's always handy—there when you need it. Providing this service is an immense job. For example, the paper we used last year would fill three mile long freight trains. Yet publishing directories is just one of many things we do to furnish the best possible service to the West.

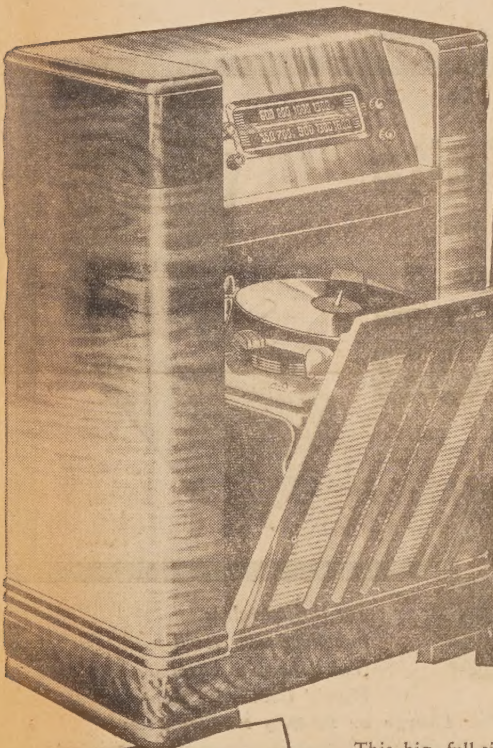

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West.

Bob Roderick Will Wed Richmond Girl

Mr. and Mrs. Howard Hill of 2509 Rheem Ave., Richmond are announcing the engagement of their daughter Laura Marian, to Robert Roderick son of Mr. and Mrs. Richard Roderick of 1019 Peralta St., Albany.

The two young people are both graduates of Albany High School and the two families have been closely associated for many years as friends and neighbors and in American Legion activities. Laura is one of the popular young members of Albany Unit 292 American Legion Auxiliary and holds the office of historian.

After graduating from Albany High Laura attended the University of California and is now employed in the office of the Standard Oil Company in Richmond. Robert followed his graduation with four years of Navy service in the South Pacific. He is now completing a course in pharmacy at San Francisco State College.

Bob and Laura will be married late in July at a formal church wedding.

Q. What is the name of this cut of meat?

A. This is a half ham, known as a shank half. Q. Where does the cut come from, and how is it identified? A. The ham shank is a wedge-shaped piece, with the characteristic pink color of smoked pork. It is cut from the shank, or leg, end of the ham, and contains the shank bones.

Q. How should this cut be prepared? A. The ham shank may be roasted, or it may be cooked in liquid. It makes an excellent roast for the small family and is easily carved. The shank half is often considered an economy cut, so is a good suggestion for coming winter meals. Place the meat fat side up, on a rack, in an open roasting pan. Roast in a slow oven (300° F.) allowing 30 minutes per pound, or until a roast meat thermometer registers 160° F. When cooked in liquid, vegetables are often added to the ham shank. The meat is covered with liquid, then cooked at simmering temperature until tender, about 30 minutes per pound.

Students Will Receive Freedom Train Photos

In the hope of still further indelibly impressing the meaning of the Freedom Train upon Albany students of junior high school age, arrangements today were completed for all local seventh, eighth and ninth grade students to receive a handsome picture of the train, in color, as a permanent reminder of its priceless cargo and the principles for which they stand, it was announced today. On the back of the picture is a message outlining these principles.

The distribution was arranged by Dr. Paul Bryan, Superintendent of Albany Schools, with Harry Samuelson, representative here for General Petroleum which is financing the undertaking throughout the West as part of its public service program. The pictures, 8x10 inches in size, are lithographed and depict the train, in full and accurate color, rounding a curve, with the national capitol in the background.

Evening School Offers Traffic Law Course

A course in traffic laws, designed for adults handicapped by a reading or language difficulty, will be given by the Albany Evening High school each Wednesday evening, starting March 17, from 7:30 to 9:30. This course, the first of its type to be given by a public school in the East Bay Area, according to the local motor vehicle departments, will be held at the Albany High school, 603 Key Route Blvd. It will be taught by St. John Smith.

It has been found that many adults, otherwise capable of driving, cannot qualify for their drivers' license because of their inability to pass examinations on traffic regulations. By means of oral instruction and the use of specially selected visual aids, it is planned to teach traffic rules and regulations to those who cannot obtain this information from printed sources.

Tumbles From Auto

Connie J. Silver, young daughter of Mr. and Mrs. J. Sterling Silver, was treated for bumps and bruises received Tuesday afternoon when she tumbled from the rear seat of the family car as her mother was entering their driveway at 1027 Santa Fe Ave. Mrs. Silver reported that Connie was in the back seat with a friend and the children apparently released the lock on the door and got it open. Treated at Herrick Memorial Hospital the child was released to her parents.
